## MEMORANDUM

To: Contractors, Subcontractors, Architects, Engineers and  
Others Affected by the State of Utah (DFCM) OCIP  
From: Ken Nye, Program Director  
Date: May 2, 2003  
Subject: Reinstatement of Argonaut Workers Compensation & General Liability Insurance

---

After additional discussions, Argonaut Insurance Co. has agreed to reinstate its Workers Compensation and General Liability Insurance under the State's Owner Controlled Insurance Program. Formal notification of the reinstatement is in the process of being issued by Argonaut. As a result, there is no need for firms to obtain alternative insurance at this time.

The policy with Argonaut has an expiration date of September 8, 2003. The State is currently evaluating its options for how to proceed at that time. The reinstatement of the Argonaut policy does, however, give the State time to determine how to proceed and then pursue a course with appropriate notice to affected parties.
